welcome

It is our greatest of pleasures to welcome you this evening to our Be Mighty Be Creative Awards Night 2020 online event, rescheduled from March 2020 in response to Covid-19.

Streamed directly to you at home, we have a fantastic line-up of guest speakers and musical performances tonight. We hope you enjoy not only hearing their voices, but also those of the young people, artists, organisations and teachers who are lighting up the region with their creativity and great work. This evening is all about celebrating the region's success stories and helping us to ensure great work can continue across the East Midlands – especially in these uncertain times.

We've included a complementary goody box for you with everything you need to help you enjoy the evening from the comfort of your own home.

Finally, thank you for joining us and supporting the work we are doing. Your support makes a significant difference and we are incredibly grateful to you for your patronage to The Mighty Creatives.

We hope you have a Mighty fabulous evening!
